

HKIRC Organizational Structure

The Board of Directors provides oversight and overall governance for HKIRC, on behalf of its members and stakeholders. Two Committees have been established under the Board, namely Audit Committee and Executive Committee. These Committees oversee the different aspects of the management of the Company, and in particular to strengthen the corporate governance of the Company. A Consultative and Advisory Panel is formed to provide professional advices to the Board on matters related to strategies and policies formulation. Day-to-day business and operations of the company are carried out by six teams of staff: the Operations Team, the Marketing Team, the Business Development Team, the Information Technology Team, the Finance Team and the HR and Administration Team. The Chief Executive Officer is responsible for the overall performance of the Company with the help of these six teams. The following is the HKIRC's organizational structure:
