Founded in 2002, Hong Kong Internet Registration Corporation Limited (HKIRC) is the Hong Kong government designated organisation responsible for the management and administration of .hk and .香港 (.hk Chinese suffix) domain names.

Mandated to promote the use of the Internet in Hong Kong, HKIRC is a non-profit-distributing organisation which offers quality, reliable and trustworthy domain name registration services to people at home and around the world.

## Why .hk and .香港 Domain Names?

.hk and .香港, the Top Level Domains for Hong Kong, are valued by Hong Kong people and the global business community alike. .hk and .香港 domain names are the digital assets that represent a company's unique online "Hong Kong Brand". They can help businesses highlight their Hong Kong presence and their commitment to provide quality products / services to their customers. Other reasons for using .hk and .香港 domain names are:

- Buy One Get Two - Register an English .hk and a Chinese .香港 domain name for the price of one
- Different domain name categories for different types of customers
- Free 24/7 local service and support
