### 3. About HKIRC

Hong Kong Internet Registration Corporation Limited (HKIRC) is a not-for-profit and non-statutory corporation designated by the HKSAR Government to administer the registration of Internet domain names under .hk and .香港 country-code top level domains. HKIRC provides registration services through its registrars for domain names ending with .com.hk, .org.hk, .gov.hk, .edu.hk, .net.hk, .idv.hk, 公司.香港, 組織.香港, .政府.香港, .教育.香港, .網絡.香港, .個人.香港, .hk and .香港.

HKIRC endeavors to be:

- Cost-conscious but not profit-oriented
- Customer-oriented
- Non-discriminatory
- Efficient and effective
- Proactive and forward-looking

HKIRC's Vision:

.hk and .香港 are the most preferred top-level domains and the brand identity for Hong Kong residents, companies and organizations. In addition, Hong Kong is a leading city in inclusive, secure, innovative, and international Internet and e-Commerce centre.

HKIRC's Mission:

HKIRC is a not-for-profit organization that is committed to providing, and supervising the provision of .hk and .香港 Internet domain names registration, resolution and related services in an uninterrupted, effective, customer-centric and sustainable manner. In addition, HKIRC promotes Hong Kong as an inclusive, secure, innovative, and international city for the Internet and encourages the use of Internet and the related technologies.

#### 3.1 HKIRC and HKDNR are public bodies under POBO

HKIRC and HKDNR are under POBO as public bodies. All the prescribed officers and employees, other than the ordinary members of HKIRC who are not vested with management responsibility, are public servants. In order to ensure that our contractors and service providers also observe a high integrity standard, please read and comply with Probity Clauses in Appendix C in this document and sign the warranty in Appendix D. **HKIRC will not consider proposals from companies which have not signed and sent to us on time the Warranty in Appendix D**

More information about HKIRC can be found on [www.hkirc.hk](http://www.hkirc.hk).

## **4. The Required Services**

### **Scope of Service**

The following defines the scope of Services to be provided by the Contractor.

### **Background**

The purpose of the Request for Proposal (RFP) is to solicit proposals to establish a contract, through competitive negotiations, with a qualified education institution that can provide a holistic and professional cybersecurity education services to fit a cyber youth programme targeted for senior secondary students ranging from secondary 4 to secondary 6 who are currently studying in Hong Kong.

The education institution is expected to design training course, conduct courses, assess students' knowledge and learning progress, and provide certificate of attendance to maximise the desired learning outcomes of students and to achieve objectives of the programme.

### **Cyber Youth Programme Objectives**

The education institution should be able to provide professional services on course design and implementation. Each objective should be crafted into the contractor's proposal.

The programme objectives are set out below:

- To increase the cyber security awareness of students
- To pave the way for youth for future education
- To increase students' interest in cyber security career
- To prepare students staying one-step ahead of would-be cyber attack

Desired learning outcomes are set out below:

- To understand the basics of cybersecurity and its principles
- To describe common cybersecurity threats and vulnerabilities
- To strengthen understanding of cybersecurity practices in different operating system
- To gain hands-on practice experience in cybersecurity

## Scope of Work

HKIRC intends to seek for an external education institution to provide professional educational service for 100-110 senior secondary students on project basis. Scope of work should be including:

- Conducting course design, including:
  - Course instructors' qualification requirement (holding relevant recognised accreditation and certification)
  - Mode of learning (schedule, duration, venue, medium of instruction)
  - Learning syllabus, course material and resources
  - Assessment methodology
- Assisting in course promotion e.g., lining up with different school associations
- Arranging course venue and facilities
- Implementing the course by professional and experienced instructors with the relevant professional qualifications:
  - Computer Hacking Forensic Investigator (CHFII), Offensive Security Web Expert (OSWE), and Offensive Security Certified Professional (OSCP)
- Arranging lab exercise on cyber-attack simulation, the computer laboratory must equip with specific operating system, network and tools such as Nmap, Metasploit, Dirbuster and w3af setting that can cater face-to-face as well as online cybersecurity setting.
- Administering fair and valid assessment
- Issuing certificate of attendance to students upon completion of the course

The Tenderer can add or counter propose any tasks that they deem necessary for programme enhancement and effectiveness.

## 5. Fee Arrangements

The education institution should provide fixed fee quote on project basis but with breakdown by item such as course fee, instructors' fee and fee on materials and other relevant learning resources.

To ensure mutual understanding, the method of billing, rates for additional works, third-party costs, and out-of-pocket expenses, as well as payment terms with any interest charges for late payment should be fully detailed in the proposal.

## 6. Service Period

The education institution will provide Services after signing service contract till the end of the project, but it is expected that the programme will be completed not more than 6 months. Reasonable explanation is to be given if the project delay is caused by the education institution. Service timeline

are proposed as follows:

- Course Design – Early March
- Course Promotion- Late March
- Course Implementation- Late June to July

## 7. Elements of a Strong Proposal

All submitted proposal must follow the format as stated in Appendix B – Proposal Requirement.

Each proposal will be reviewed under the terms of non-disclosure by our staff and our Board of Directors.

## 13. Ethical Commitment

### 13.1 Prevention of bribery

(A) The Contractor shall not, and shall procure that his directors, employees, agents and sub-contractors who are involved in this Contract shall not, except with permission of Hong

Kong Internet Registration Corporation Limited (hereafter referred to as the Organisation) solicit or accept any advantage as defined in the Prevention of Bribery Ordinance (Cap 201) in relation to the business of the Organisation. The Contractor shall also caution his directors, employees, agents and sub-contractors against soliciting or accepting any excessive hospitality, entertainment or inducements which would impair their impartiality in relation to the business of the Organisation. The Contractor shall take all necessary measures (including by way of internal guidelines or contractual provisions where appropriate) to ensure that his directors, employees, agents and sub-contractors are aware of the aforesaid prohibition and will not, except with permission of the Organisation, solicit or accept any advantage, excessive hospitality, etc. in relation to the business of the Organisation.

- (B) The Contractor shall not, and shall procure that his directors, employees, agents and sub-contractors who are involved in this Contract shall not, offer any advantage to any Board member or staff in relation to the business of the Organisation.

### **13.2 Declaration of Interest**

- (C) The Contractor shall require his directors and employees to declare in writing to the Organisation any conflict or potential conflict between their personal/financial interests and their duties in connection with this Contract. In the event that such conflict or potential conflict is disclosed in a declaration, the Contractor shall forthwith take such reasonable measures as are necessary to mitigate as far as possible or remove the conflict or potential conflict so disclosed. The Contractor shall require his agents and sub-contractors to impose similar restriction on their directors and employees by way of a contractual provision.
- (D) The Contractor shall prohibit his directors and employees who are involved in this Contract from engaging in any work or employment other than in the performance of this Contract, with or without remuneration, which could create or potentially give rise to a conflict between their personal/financial interests and their duties in connection with this Contract. The Contractor shall require his agents and sub-contractors to impose similar restriction on their directors and employees by way of a contractual provision.
- (E) The Contractor shall take all necessary measures (including by way of internal guidelines or contractual provisions where appropriate) to ensure that his directors, employees, agents and sub-contractors who are involved in this Contract are aware of the provisions under the aforesaid sub-clauses (C) and (D).

### **13.3 Handling of confidential information**

- (F) The Contractor shall not use or divulge, except for the purpose of this Contract, any information provided by the Organisation in the Contract or in any subsequent correspondence or documentation, or any information obtained when conducting business under this Contract. Any disclosure to any person or agent or sub-contractor for the purpose of the Contract shall be in

strict confidence and shall be on a “need to know” basis and extend only so far as may be necessary for the purpose of this Contract. The Contractor shall take all necessary measures (by way of internal guidelines or contractual provisions where appropriate) to ensure that information is not divulged for purposes other than that of this Contract by such person, agent or sub-contractor. The Contractor shall indemnify and keep indemnified the Organisation against all loss, liabilities, damages, costs, legal costs, professional and other expenses of any nature whatsoever the Organisation may suffer, sustain or incur, whether direct or consequential, arising out of or in connection with any breach of the aforesaid non-disclosure provision by the Contractor or his directors, employees, agents or sub-contractors.

### **13.4 Declaration of ethical commitment**

(G) The company submitting the proposal (“the company”) shall acknowledge and agree that, if the company is selected as the Contractor, it shall be bounded by the ethical commitment clauses. The company shall submit a signed declaration in a form (see Appendix E) prescribed or approved by the Organisation to confirm compliance with the provisions in aforesaid sub-clauses (A), (B), (C), (D), (E) and (F) on prevention of bribery, declaration of interest and confidentiality. If the company fails to submit the declaration as required, the Organisation shall be entitled to withhold payment until such declaration is submitted and the company shall not be entitled to interest in that period. To demonstrate compliance with the aforesaid sub-clauses (A), (B), (C), (D), (E) and (F) on prevention of bribery, declaration of interest and handling of confidential information, the company and the sub-contractors employed for the performance of duties under this Contract are required to deposit with the Organisation a copy of the internal guidelines issued to their staff.

## **Appendix A**

### **HKIRC Information Security Policy and Guideline (An extract relevant to Outsourcing)**

---

This document provides an extract of the HKIRC Information Security Policy and Guidelines with the purposes of (a) introducing various measures and controls to be executed by HKIRC regarding outsourcing and (b) setting the expectation of any potential contractors that their participation and conformance in these measures and controls are essential contractual obligations.

The original Policy and Guidelines applies to HKIRC's employees, contractors and third party users. However, a potential contractor may interpret the clauses up to their roles and responsibilities only. Nonetheless, the keyword "contractors" hereby refer to all relevant staff of the contractor and of any other subcontractors under the contractor's purview.

Herein, HKIRC would also set the expectation of any potential contractors that upon their indication of interest to the project, they shall be required in the subsequent stages (a) to sign off a non-disclosure agreement (NDA) on all information to be provided and (b) to sign off a Compliance Statement where compliance requirements are specified in more details.

#### **(A) Extract from the HKIRC Information Security Policy**

##### **8.1 Human resources security**

8.1 Security objective: To ensure that employees, contractors and third party users understand their responsibilities, and are suitable for the roles they are considered for, and to reduce the risk of theft, fraud or misuse of facilities.

8.1.1 Security roles and responsibilities of employees, contractors and third party users shall be defined and documented in accordance with the organisation's information security policy.

8.1.2 Background verification checks on all candidates for employment, contractors, and third party users shall be carried out in accordance with relevant laws, regulations and ethics, and proportional to the business requirements, the classification of the information to be accessed, and the perceived risks.

8.1.3 As part of their contractual obligation, employees, contractors and third party users shall agree and sign the terms and conditions of their employment contract, which shall state their and the organisation's responsibilities for information security.

##### **8.2 During employment**

Security objective: To ensure that all employees, contractors and third party users are aware of information security threats and concerns, their responsibilities and liabilities, and are equipped to support organisational security policy in the course of their normal work, and to reduce the risk of human error.

8.2.1 Management shall require employees, contractors and third party users to apply security in

accordance with established policies and procedures of the organisation.

8.2.2 All employees of the organisation and, where relevant, contractors and third party users shall receive appropriate awareness training and regular updates in organisational policies and procedures, as relevant for their job function.

### **8.3 Termination or change of employment**

8.3.1 Security objective: To ensure that employees, contractors and third party users exit an organisation or change employment in an orderly manner.

8.3.2 All employees, contractors and third party users shall return all of the organisation's assets in their possession upon termination of their employment, contract or agreement.

8.3.3 The access rights of all employees, contractors and third party users to information and information processing facilities shall be removed upon termination of their employment, contract or agreement, or adjusted upon change.

## **12. Information systems acquisition, development and maintenance**

12.5.5 Outsourced software development shall be supervised and monitored by the organisation.

## **13. Information security incident management**

13.1 Reporting information security events and weaknesses

Security objective: To ensure information security events and weaknesses associated with information systems are communicated in a manner allowing timely corrective action to be taken.

13.1.2 All employees, contractors and third party users of information systems and services shall be required to note and report any observed or suspected security weaknesses in systems or services.

## **(B) Extract from the HKIRC Information Security Guidelines**

## **6. ORGANISING INFORMATION SECURITY**

### **6.2 EXTENRNAL PARTIES**

6.2.1 Identification of Risks Related to External Parties

The risks to the organisation's information and information processing facilities from business processes involving external parties should be identified and appropriate controls implemented before granting access.

6.2.3 Addressing Security in Third Party Agreements

Agreements with third parties involving accessing, processing, communicating or managing the organisation's information or information processing facilities, or adding products or services to information processing facilities should cover all relevant security requirements.

## **7. Asset Management**

### **7.1.3 Acceptance Use of Assets**

Rules for the acceptable use of information and assets associated with information processing facilities shall be identified, documented, and implemented.

## **8. Human resources security**

### **8.1.1 Roles and Responsibilities**

Security roles and responsibilities of employees, contractors and third party users shall be defined and documented in accordance with the organisation's information security policy.

### **8.1.2 Screening**

Background verification checks on all candidates for employment, contractors, and third party users shall be carried out in accordance with relevant laws, regulations and ethics, and proportional to the business requirements, the classification of the information to be accessed, and the perceived risks.

### **8.1.3 Terms and Conditions of Employment**

As part of their contractual obligation, employees, contractors and third party users shall agree and sign the terms and conditions of their employment contract, which shall state their and the organisation's responsibilities for information security.

### **8.2.1 Management Responsibilities**

Management shall require employees, contractors and third party users to apply security in accordance with established policies and procedures of the organisation.

### **Probity Clauses**

---

#### **Probity Clauses in Tender/ Quotation Invitation Documents**

##### **Offering Advantages**

- (1) The Tenderer shall not, and shall procure that his employees, agents and sub-contractors shall not, offer an advantage as defined in the Prevention of Bribery Ordinance, (Cap 201) in connection with the tendering and execution of this contract.
- (2) Failure to so procure or any act of offering advantage referred to in (1) above committed by the Tenderer or by an employee, agent or sub-contractor of the Tenderer shall, without affecting the Tenderer's liability for such failure and act, result in his tender being invalidated.

##### **Anti-collusion**

- (1) The Tenderer shall not communicate to any person other than the Hong Kong Internet Registration Corporation Limited ("HKIRC") the amount of any tender, adjust the amount of any tender by arrangement with any other person, make any arrangement with any other person about whether or not he or that other person should or should not tender or otherwise collude with any other person in any manner whatsoever in the tendering process. Any breach of or non-compliance with this sub-clause by the Tenderer shall, without affecting the Tenderer's liability for such breach rules and laws or non-compliance, invalidate his tender.
- (2) Sub-clause (1) of this Clause shall have no application to the Tenderer's communications in strict confidence with his own insurers or brokers to obtain an insurance quotation for computation of tender price and communications in strict confidence with his consultants / sub-contractors to solicit their assistance in preparation of tender submission.
- (3) The Tenderer shall submit to the HKIRC a duly signed warranty in the form set out in Appendix D to the effect that he understands and will abide by these clauses. The warranty shall be signed by a person authorized to sign the contract on the Tenderer's behalf.
- (4) Any breach of any of the representations and/or warranties by the Tenderer may prejudice the Tenderer's future standing as a HKIRC contractor.

## Appendix D

### Warranty

---

To: Hong Kong Internet Registration Corporation Limited (“HKIRC”)

Dear Sir/Madam,

- (1) By submitting a tender, \_\_\_\_\_ [the name of your company] (the “Tenderer”) represents and warrants that in relation to the tender of HKIRC Cyber Youth Programme 2021:
  - (i) it has not communicated and will not communicate to any person other than the HKIRC the amount of any tender price’
  - (ii) it has not fixed and will not fix the amount of any tender price by arrangement with any person;
  - (iii) it has not made and will not make any arrangement with any person as to whether it or that other person will or will not submit a tender; and
  - (iv) it has not otherwise colluded and will not otherwise collude with any person in any manner whatsoever in the tendering process.
- (2) In the event that the Tenderer is in breach of any of the representations and/or warranties in Clause (1) above, HKIRC shall be entitled to, without compensation to any person or liability on the part of the HKIRC:
  - (i) reject the tender;
  - (ii) if HKIRC has accepted the tender, withdraw its acceptance of the tender; and
  - (iii) if HKIRC has entered into the Service Agreement with the Tenderer, terminate the contract.
- (3) The Tenderer shall indemnify and keep indemnified HKIRC against all losses, damages, costs or expenses arising out of this Warranty in relation to any breach of any of the representations and/or warranties in Clause (1) above.
- (4) Clause (1) shall have no application to the Tenderer’s communications in strict confidence with its own insurers or brokers to obtain an insurance quotation for computation of the tender price, or with its professional advisers, and consultants or sub-contractors to solicit their assistance in preparation of tender submission. For the avoidance of doubt, the making of a bid by a bidder to HKIRC in public during an auction will not by itself be regarded as a breach of the representation and warranty in Clause (1)(i) above.
- (5) The rights of HKIRC under Clauses (2) to (4) above are in addition to and without prejudice to any other rights or remedies available to it against the Tenderer.
